Information regarding personal data protection in the EU (or EEA)

Privacy Policy

1. Purpose of Processing EU Personal Data Acquired from Customers and Other Subjects Concerned

GMO Brights consulting Inc. (hereinafter referred to as "Company", "we", "our" and "us"), as a Domain name, trademark and other intellectual property service businesses company processing EU personal data, in accordance with the General Data Protection Regulation (effective on May 25, 2018) prescribed by the European Commission, we shall process customers' EU personal data only within the scope necessary for the intended use that is specified and publicized in advance. However, in the case where it is required by laws and regulations, we may process EU personal data of customers and other subjects beyond the scope necessary for achieving the intended use specified and publicized in advance. Moreover, providing EU personal data is indispensable for fulfilling contractual agreement, and therefore if EU personal data cannot be provided at each customer's own discretion, providing services to such customer may be hindered.

Please refer to "Appendix: List of Commercial Services that Process EU Personal Data"

2. Rights of Customers and Other Subjects Concerned

Each customer or the other subject concerned has the following rights regarding EU personal data about himself or herself.

- (1) Right to access to his or her own EU personal data and other information relating to its personal data.
- (2) Right to rectify inaccuracies of his or her EU personal data without undue delay
- (3) Right to erase his or her EU personal data without undue delay
- (4) Right to restrict processing of his or her EU personal data
- (5) Right to receive EU personal data provided by customer or other concerned subject by himself or herself in a general format that is readable on computers, and right to transfer (i.e. data portability) the EU personal data to other organizations in order for them to manage without hindering transferring process.
- (6) Right to object to public interest; processing for the interests of Company, a third

- party or both; and processing for direct marketing for EU personal data of customers and other subjects concerned.
- (7) Right not to be subjected to assessments conducted or decisions made through automatic processing such as profiling that have serious impact including legal effects on individuals.

Note: We do not perform profiling.

(8) Right to lodge a complaint with a supervisory authority

3. Conditions for Processing of EU personal data

We may process EU personal data when any one of the following cases is applicable, even if we have not obtained consents from customers and/or others concerned.

- (1) When the processing is necessary for the execution of the contract where a customer or other subject concerned himself or herself is the contracting party. Or when processing is necessary in accordance with request from a customer or other subject concerned at the stage when the contract is not concluded yet.
- (2) When the processing is necessary to comply with the legal obligation that we shall abide by; for example, when following information disclosure orders based on laws and regulations from government agencies etc.
- (3) When the processing is necessary to protect serious interests of customers, other subjects concerned, or both.
- (4) When it is deemed appropriate to investigate, prevent, or take measures against illegal acts or suspicious acts.
- (5) When the processing is necessary for legitimate interests pursued by a third party or us to the extent that its processing does not infringed right, profit, and freedom concerning the privacy of a customer or other subject concerned.

4. Special Types of EU Personal Data

In principle, in order to conduct various procedures concerning the services providing, we shall obtain prior consent from customers and other subjects concerned.

Moreover, we will not collect, use and transfer special types of EU personal data belonging to customers and other subjects concerned such as health conditions and physical characteristics.

5. International Transfer of EU Personal Data

EU personal data is transferred to our group companies and outsourcing contractors such as Domain registrar, patent office, and Patent Office of filing country located in Japan,

Vietnam, or both; and may be stored in servers located in those respective country.

Japan, and Vietnam have not been recognized and determined as countries providing adequate data protection by the European Commission, however we manage EU personal data of customers and other subjects concerned appropriately.

6. Safeguards

In order to appropriately manage EU personal data of customers and other subjects concerned and prevent leakage, loss and damage of those EU personal data, including other safety management approaches, we carry out technical, physical, organizational and human related safeguards.

7. Joint Control

We jointly control EU personal data customers and other subjects concerned that we hold with our group companies in order to promote activities such as service development and service guidance; and communication with customers and other subjects concerned. In addition, when we jointly control EU personal data with our group companies, the scope of responsibility relating to the processing of the personal data of customers and other subjects concerned, and the contact point for inquiries shall be clearly defined among us and group companies.

Items of EU personal data that we jointly control are stated as follows:

- ♦ Name;
- ♦ Address;
- ♦ Email address;
- ♦ Phone number;
- ♦ Contract details;
- ♦ Any other items necessary in accordance with the purpose of use (*)
- * For details, please refer to the above section 1, "Purpose of Processing EU Personal Data Acquired from Customers and Other Subjects Concerned".

The joint controllers are the group companies of us that are listed on: https://www.gmo.jp/en/company-profile/groupinfo/

Note: Group companies may be changed in the future due to new establishment, consolidation, abolishment and other reasons.

8. Transfer of EU Personal Data

EU personal data belonging to customers and other subjects concerned are transferred to our group companies and outsourcing contractors such as cloud provider and IT service vendor to which we have subcontracted our business operation to the extent necessary for service provision.

In addition, we request appropriate processing of the transferred EU personal data to those outsourcing contractors, and manage EU personal data of customers and other subjects concerned appropriately.

9. Archiving, Deletion, Disposal of EU personal data

Except where otherwise specified by laws and regulations, we define the retention period of EU personal data of customers and other subjects concerned within the scope necessary for the purpose of use.

After the defined retention period has expired or the purpose of use has been achieved, we erase EU personal data of customers and other subjects concerned without delay.
